

GET TO KNOW ED NEIR CONSTRUCTION: HOW WE SHINE

**Experience the Ed Neir Construction 5-Star Difference:
Quality, Integrity, Reliability, and taking ACTION to Make Your Vision a Reality**

At Ed Neir Construction, ACTION stands for:

- **A**ccommodating: We are respectfully accommodating, adapting to your specific needs, schedules, and requirements, working closely with you to ensure safety and satisfaction for everyone involved. We are always ready to address any issues and find solutions together.
- **C**reative: We approach your construction projects with creativity and innovation, applying these principles to materials, processes, and schedules. Our aim is to offer creative and cost-effective “value engineered” solutions for projects of any size or scope, addressing the specific needs and requirements of each project.
- **T**alented: Our talented team of highly respected general and specialty contractors possess the knowledge and experience necessary to bring the vision for your project to life. Applying our combined experience and expertise, we deliver quality results to your exacting project specifications in budget and on time.
- **I**ntegrity: We routinely communicate openly and honestly, taking responsibility for every aspect of our work to address your needs and preferences. Our team focuses on careful placement of tiles and flooring joints, as well as precise installation of countertops and cabinets. Throughout the process, from initial project discussions to the final finishing touches, we strive to deliver to your vision and satisfaction. With owner Ed Neir, integrity is guaranteed!
- **O**rganized: In the preliminary planning phase, we document your vision, budget, timeframe, and all key considerations, openly discussing project details to ensure clarity on design concepts and scope of work. During the detailed planning phase, our team collaborates with you to meticulously organize all project elements, define expectations, address potential issues, and support completion.
- **N**eat: We maintain a neat and clean jobsite to ensure safety, efficiency, and focus. A tidy workspace aids productivity and efficiency. All tools, materials, and plans are organized, preventing mess from spreading beyond the project area. We leave the workspace clean at the end of each day, throughout the entire project.

At Ed Neir Construction, this collection of key **ACTION** words embodies our commitment to excellence and signifies the outstanding experience consistently provided to our clients **on time, within budget, and to exacting industry standards.**
